LifeMoves provides structured peer support that empowers people with acquired neurological conditions. The programme consists of eight weekly two-and-a-half hour sessions of client-generated discussions that are facilitated by trained peer support workers.

The programme is cost free at present. Participants are required to provide their own transport.

Participants in LifeMoves programmes shall:

- Have a diagnosis of an acquired neurological condition
- Live in any catchment area
- Be over 18 years of age
- Communicate in or understand English (Interpreters are not able to attend)
- Have adequate cognition and capacity to participate (at some level) in a group conversation

Carers are excluded from LifeMoves (to ensure clients may speak freely).

Contact the LifeMoves Relationship Coordinator, Florence Kingsley-Matthews on ph/fax (03) 9376 6669 or mobile 0412 178 507 for further information.

Please fax the referral form to Florence on fax: (03) 9376 6669 or alternatively, you may choose to mail your referral in to:
